THE POTTERY LEGACY OF DAHOD

"clay crafted artistry"

@EDII

ABOUT US

Our mission at Dahod Pottery producer Company Limited is mutual support and empowerment of artisans so that they can gainfully engage and flourish in their traditional craft. We take pride in preserving and promoting the rich heritage of traditional Terracotta designs through innovative and environment friendly production processes.

USP:

Offers lead-free, non-toxic pottery items that blends exquisite craftsmanship with eco-friendly elegance.

THE SOUL OF REGIONAL POTTERY

Our collective of 158 skilled pottery artisans crafts beautiful ethnic pieces inspired by rich regional traditions. From cookware and decorative items to Diyas, Karwas, and Oxy-homes, each creation reflects cultural heritage and timeless artistry. With dedication and passion, our artisans preserve traditional techniques, celebrating their craft through every piece. By bringing their work into your space, you connect with a story rooted in generations of craftsmanship and cultural pride.

Key Goals

- Enhancing Income Sources & Employment Opportunity
- Exposure to Pottery Artisans
- Technology infusion & Sustainable Production Process
- Quality Products at fair Prices
- Promoting & preserving Traditional Heritage
